

# NAMPA HIGH SNOW TEAM

## What is the Nampa High Snow Team?

The Nampa High Snow Team is a ski and snowboard program that provides Nampa High students the opportunity to travel to Bogus Basin Ski Area with your friends and classmates and save a little money along the way. We strongly encourage our members to participate in the Bogus Basin High School Race Program. Starting in January, participating Schools will meet at Bogus Basin for 6 Saturdays to race. Racers are divided into ability levels (novice, intermediate, and advanced) and compete in one race per Saturday. There is also a Freestyle Competition. This takes place at the Terrain Park at Bogus, and is open for advanced skiers and boards. Scores are awarded by judges and helmets are required to compete in Freestyle. The Friday after our final Saturday race, students that have been participating in the Saturday race program can travel to Bogus to compete in the Dotty Clark Championship race. The top three finishers in every race division is awarded with a medal and snow gear donated by local businesses. All participants are required to wear a helmet for Dotty Clark. If you do not have a helmet and are looking for an inexpensive way to get one, I would encourage you to attend the BBSEF Ski Swap in Boise at Expo Idaho, November 6<sup>th</sup> – 8<sup>th</sup>.

## Cost of Snow Team:

**Dues: \$60** Dues cover the cost of the bus transportation to Bogus Basin every Saturday. Team members will receive a Racer ID card that can be used to purchase discounted lift tickets. Dues must be turned in before Christmas Break (December 18<sup>th</sup>, 2015).

### Lift Tickets:

The Club Pack (New this year)

- Tickets are non-refundable and non-transferable to another season. Racers will need to have their Snow Team ID in order to purchase the Club Pack.
- Club Pack sale dates for 2015: Saturday, December 12 through Sunday, December 20.

- If you purchase a Day of Race ticket, **you must participate in the race.**

**End of the Year Trip:** We plan to organize an end of the season snow team trip. This is an extra trip we take as a team to celebrate the season. This trip would be after Dotty Clark.

## Need to Purchase Equipment? Here are a couple options...

Renting: Equipment can be rented on a daily basis from Bogus.

Leasing: Local ski and board shops offer the option of leasing for an entire season, but here is what Bogus Basin offers.

Buying: BBSEF Ski Swap in Boise at Expo Idaho, November 6<sup>th</sup> – 8<sup>th</sup>. There is also Craigslist, Play It Again Sports, Backcountry Pursuit, or Outdoor Exchange that sell used equipment.
