## ENGINEERING AND COMPUTER SCIENCE: YOUR PATH TO THE FUTURE

Come join us for a fun and informative event to learn about highpaying careers in Engineering and Computer Science sponsored by BSU, CWI, and CSI. We would like to welcome interested high school students and their families to attend one of our evening events near your community. Dinner will be provided.

## What can you expect?

- Learn about pathways from community college to BSU
- Hear about classes from current students
- Hear about careers from industry professionals
- Learn about a new scholarship opportunity (up to \$10K per year)
